HELLO, I'M NAVYA RAHUL, AND I'M EXCITED TO SHARE THE STORY OF 36 SAKURA CAFE WITH YOU

Our journey began on 3rd June (03/06), a day when Rahul proposed to me for marriage after we did a Ganesha Pooja at Shriram Greenfield's, marking the start of a beautiful chapter in our lives. As we settled into our new apartment in Shriram Greenfield's amidst the pandemic, I started cooking and selling some unique dishes for our community and friends from home. The warm reception we received was the spark that inspired us to open our cafe.

On June 10th, 2022, which was also our son Vedev's 1st birthday we opened 36 Sakura Cafe right next to our home. The name "Sakura" has deep significance: it honours my late mother-in-law, Sakunthalai (Saku) and Rahul (Ra) apart from my love for Sakura from the Japanese series Naruto symbolising renewal and beauty.

Adding to our story is Rahul's father, Krishnaraj, whose wisdom and business experience have been a guiding light for us. On the day of our cafe's opening, our all rounder head chef, Kailash Singh joined us and prepared a special payasam sweet to mark the beginning of our culinary journey.

When it comes to our food, we wanted to create a menu that reflects the rich diversity of Bangalore, a city we both love dearly. Whether you're in the mood for North Indian classics or South Indian delights to cheesy pizzas and burgers or hot tandoor, we've got you covered. Every dish we prepare is made with care just like how we would cook for our own family. We want you to just feel at home savour the flavour's, leave with a smile, knowing you have been a part of our journey.

OUR SUPER STAR TEAM

Our team is the heart and soul of 36 Sakura Cafe who ensure that everything runs smoothly behind the scenes, cooking exotic dishes while making sure every ingredient is fresh and every order is fulfilled on time.

Join us at 36 Sakura Cafe, where every meal is more than just food—it's a celebration of family, tradition, happiness and the love we pour into every dish. We're more than just a cafe—we're a part of your story. Let's celebrate together with joy.

- Navya Rahul
